

If you suffered a heart attack, stroke or cancer, could you even make minimum bill payments?

A critical illness and its cost in lost wages and medical bills can derail any family's budget.

AssurityBalance Critical Illness Insurance pays you a lump-sum cash amount (\$5,000 - \$500,000) for the first-ever diagnosis of cancer, a heart attack, stroke or covered illness.

If a critical illness hits your family, you will appreciate this financial cushion to ease the stress while you concentrate on recovery.

*Life can change in a heartbeat – don't let a medical crisis become a financial one!*
